

The Pearland Swim Academy is proud to announce our new **Summer Swim Team**. The goal of the **PSA Summer Swim Team** is to provide an introduction to all four competitive strokes and the swim team environment.

Coach Juan and the rest of the PSA staff are excited to get the new program going. Over the last 8 years Coach Juan has started 2 other successful swim teams in Pearland: The Pearland Pirates (summer swim team) and Pearland Aquatics (PEAK is a year round USA Swimming Team.) He looks forward to a great time with this new team.

The PSA Summer Swim Team will focus on developing all four competitive strokes, turns, and individual self confidence through team swimming. The **PSA Summer Swim Team** will also expose swimmers to friendly competition. PSA will host small swim meets against local summer swim teams where swimmers can have a great time cheering on their teammates.

To participate in this program current PSA swimmers must be in Water Stars or Water Racer groups. Swimmers not currently enrolled with PSA may request an evaluation for placement on our team. These swimmers must be able to swim the length of our pool freestyle and backstroke and must know how to kick butterfly. Swimmers may join the team at any point throughout the summer as long as we have spots available.

Swim Team practice sessions will last 45 minutes. The swimmers will be subdivided by age and ability. Participants will need goggles, a cap (for swimmers with long hair), swim suit (one piece for girls), and a love for the water. All participants will receive a PSA water bottle.

Come spend a fun-filled summer with Coach Juan and the rest of the PSA coaching staff.

Number of swimmers:	24, we may add more should there be enough demand
Dates:	June 7 th – August 13 th
Days of the Week	Tuesday, Thursday, and Friday
