

Billing Schedule

PSA monthly billing will follow the schedule below. All monthly billing accounts will be billed for lessons scheduled in the “lessons billed” date range. Simply, accounts will be charged for the next month’s lessons on the billing date. Additionally, the credit card on file for each billed account will be charged the tuition amount plus a \$3.00 processing fee. The \$3.00 processing fee may be avoided by making payment to the front desk (cash, check or credit card) prior to the billing date. In the event PSA needs to change the billing date, notice will be posted in the office prior to the change.
